### Our Chosen One

*We asked God for a miracle  
to brighten our Days  
A child...to love and protect  
to watch grow, run, and play.*

*You're not flesh of our flesh  
nor bone of our bone  
But You little miracle  
are the heart of our home.*

*With ten tiny fingers and ten tiny toes  
You became our sweet Angel...  
the one that we chose.*
